2012 GOLF MEMBERSHIPS

Due to the economic decline our nation has been experiencing, we will be keeping our membership rates reduced again for 2012! In addition, we have added two new membership prices. We are offering a young adult membership price for golfers between the ages 19 and 30 years old. Also a college price for young adults attending college. We thank you for your support and your continued patronage.

Any Membership paid in full by January 1st will receive a \$50 discount along with two free 18 hole guest passes and two free buckets of balls for the driving range, redeemable anytime in 2012.

When considering your membership options for 2012 please keep in mind that if it's golf weather, Briar Hill is open for play!
